NEW 2 BAND

Parent Meeting Tuesday, September 6th, 2016 6 pm in the MMS Band Room

Dear Parent / Guardian,

I'd like to welcome you to our Millennium Middle School Band Family. There is much to learn and discover as parents, all for the overall education, enrichment and success for your student. There are many facets to the band program at Millennium and being a novice could feel quite daunting at first. I've made it easier by providing a quick "cheat sheet" of your primary responsibilities as a band parent to start your child off correctly. Also included is a full description of our Fair Share program (a student enrichment program with suggested payment options). Very soon your student will have the opportunity to experience many different instruments in his/her quest to find the one that best fits him/her. A highly reputable music vendor and their employees will be coming to the classroom on August 30th during your child's band class to assist the students in their decision making process. It is my goal that your son/daughter will have a good idea of their chosen instrument by the end of that week at which time I will sit with them individually to go over the proper supplies you will need to purchase to make it possible for them to participate. A letter/ supply list explaining all materials that will be needed will come home that day. You can simply hand the letter/supply list to the salesperson at any reputable music store and they will know exactly what you need.

As mentioned above, there are many aspects of band that you should make a point to know (i.e. instrument rental/purchase, supplies, band boosters, volunteering, etc...). Therefore, I will be having a band parent meeting on Tuesday, September 6th, 2016 to address all of the particulars and answer any questions you may have. This meeting is very important not only for you, but to the success of your son/daughter throughout the entire school year. I sincerely hope you attend this important meeting. If you have any questions or concerns, please go to www.mstarband.com for information. I hope to see you on September 6th.

Musically Yours,

Jamie Roth M.M. nbct
Band Director
Millennium Middle School
